

## Environmental Policy Statement

Liberty Vehicle Technologies Ltd., referred to as LVT, recognises and understands the importance of protecting the environment in which we operate. We are fully committed to minimising the impact that running our business has on the environment and we encourage our customers, suppliers and other stakeholders to do the same.

We are committed to act in a socially responsible manner and we will strive to continuously improve our environmental performance by using this policy as a framework to set, monitor and review at regular intervals environmental objectives.

LVT aspires to promote a positive environmental culture for the benefit of current and future generations and for this purpose is committed to protect the environment, prevent pollution, use of sustainable resources and provide appropriate education and training for all employees to develop a sense of awareness and responsibility for the environment.

To achieve these commitments, we have developed and implemented an environmental management system in accordance with the latest standards which will comply with all the legal and other regulatory requirements relevant to the context and purpose of our organization

We will ensure that this policy and related objectives and targets are available for and communicated to all relevant interested parties.

Anthony Blackwell

Managing Director
